

Ways to help your local restaurant

Dear Le Zie's customers,

We hope this message finds you and your family healthy and safe. In this unprecedented challenging situation, many of you have so graciously reached out to ask how you can help us keep the restaurant going. One very helpful act would be to purchase a gift certificate.

If you feel this could be the right approach for you, please **email Francesca at ftodesco@me.com** about purchasing a gift certificate (please provide your phone number).

At this time the restaurant remains open from 4:00-8:00 pm for takeout and delivery only. We deeply appreciate all the messages of support and the orders placed each day. We are immensely grateful for the genuine love we are feeling from you, our faithful patrons, and we look forward to seeing you back at our tables very soon.

With heartfelt appreciation,

Claudio & the staff
